

# PETER JONES (ILG) LTD.

**Dock 08, the latest garment mounting KlickFast Dock from Peter Jones (ILG) Ltd.**

**DOCK 08**  
'Screw-to-fit' fixing

The KlickFast system allows any equipment featuring the KlickFast connector to be docked securely. Slide the connector into any Dock to lock it securely in place, twist to the best position for comfort. To release, simply invert the case and lift out.

A new easy to use 'Screw-to-fit' Dock. This Dock can be used to upgrade any existing garment to the KlickFast Carrying System and is also ideal for use whilst waiting for new garments featuring built-in Docks to be delivered.
